*** * * Welcome to the 2018 Burnet County Area Fair! * * ***

Friday–Saturday, June 8–9, 2018

**Burnet Community Center and Hill Country Foundation Building
Corner of Jackson and Boundary Streets, Burnet, Texas**

The Burnet County Area Fair cordially invites citizens in the county of Burnet, as well as in the adjacent counties (Bell, Blanco, Lampasas, Llano, San Saba, Travis, and Williamson) to enter and participate in our 2018 Fair!

The 2018 Burnet County Area Fair is a presentation of the Texas A&M AgriLife Extension Service of Burnet County, the Highland Lakes Master Gardener Association, the Texas Extension Education Association of Burnet County, the Highland Lakes Sewing Guild, the Highland Lakes Quilt Guild, the Highland Lakes Master Naturalists, the Bluebonnet Button Club and the dedicated steering committee of the Fair. We hope you'll be a part of this event.

Early registration for the 2018 Burnet County Area Fair will take place **Wednesday, June 6**, from 4:30 until 6:30 pm at the Burnet Community Center. Registration will continue on **Thursday, June 7**, from 9:00 am until 12:00 noon. We hope these hours will be convenient for our exhibitors, especially those who work during the day. Judging will begin at 1:00 pm on Thursday, June 8, and the show hall will be closed to the public during judging and tabulation of winners.

The Fair will then open its doors to the public on Friday morning, June 8, at 10:00 a.m., after the Opening Ceremony. A special awards ceremony will be held at 5:30 p.m. in the Hill Country Foundation Building (across the street from the Fair) to honor Best of Division and Sweepstakes Award winners in all three age groups.

This year's theme is "*Hill Country Wildflowers*," and the Fair features 17 divisions, two of them new: Buttons (Division 4) and Jewelry (Division 7). After a one-year absence, Metal Arts returns this year as Division 8. Porcelain Arts is now a category within Fine Arts, Division 6.

Also returning in 2018 are the Country Store, street vendors, demonstrations, a car show, educational presentations, and family-friendly outdoor activities and entertainment. Knowledgeable volunteers will be on hand all day, both Friday and Saturday, to answer questions about the Fair, its history, and the exhibits on display.

Once again the Fair will offer cash prizes for first-, second-, and third-place winners, Best of Division winners, and Sweepstakes Award winners. The Sweepstakes Award will be given to the exhibitor in each age group who enters exhibits in three or more Divisions and earns the most points. We have added an extra prize this year, "People's Choice" award for each age group. These will be voted on by Fair visitors and the plaques will be presented to the winners during the awards ceremony Friday night.

All exhibits must be picked up on Saturday, June 9, between 4:30 and 6:00 pm. **There will be no pick-up of entries on Sunday!**

We've worked hard to make the 2018 Fair a family-friendly event that will be fun for all ages. For updated information about the 2018 Fair, please visit our website, www.burnetcountyfair.com.

General Rules

NOTE TO EXHIBITORS

**Please read ALL of the General Rules (below) before submitting exhibits!
Each Division has its own specific rules as well, outlined in the pages that follow.
General Rules apply to all Divisions without exception.**

1. All exhibitors must be residents either of Burnet County or of adjacent counties: Bell, Blanco, Lampasas, Llano, San Saba, Travis, and Williamson.
2. In each division, entries are judged in three separate age groups as follows: ADULT (18 years and older), SENIOR YOUTH (12-17 years), and JUNIOR YOUTH (younger than 12 years). In this way, youth compete against other youth, not against adults, and there are three Best of Division winners, one for each age group.
3. **ALL entries must have been made by the person entering the item!** All entries must have been completed in the last 12 months (June 2017 – June 2018). Entries from previous years are not eligible for exhibition and will not be accepted.
4. Entries are limited to one item per category per exhibitor. If a division has sub-categories, only one entry in *each sub-category* will be allowed per exhibitor. For example, if an exhibitor in the Preserved Foods Division wanted to enter the Jellies Category with both grape jelly and strawberry jelly that would be acceptable because those are both sub-categories in the Jellies Category. In *some* divisions (but not all), **two** entries per category are permitted: see individual division rules. In these cases, the division rules take precedence. For questions, contact the Division Superintendent *prior to* Fair registration.
5. No entries from professionals will be accepted. In general, a professional is defined as an adult who earns more than 40% of his/her income in one of the various divisions listed in these rules. Being a professional in one division, however, does not preclude that person from entering another division. Different divisions may have different definitions of “professional” (e.g., Photography). When in doubt, check with the Division Superintendent.
6. No Division Superintendent of the Burnet County Area Fair shall enter an exhibit in his/her own division. Superintendents *may*, however, enter exhibits in *other* divisions and be eligible to win ribbons.
7. The Burnet County Area Fair reserves the right to accept or reject any exhibit or entry.
8. The pink, blue, or gold four-digit entry tag must remain attached to the exhibited article for the duration of the Fair.
9. Exhibitors must at all times give the necessary attention to all of their entries and take possession of those items at the close of the Fair.
10. No entries will be removed before the designated pick-up time (Saturday, June 9, 4:30 p.m. – 6:00 p.m.).
11. Awards are given solely as recognition of merit and will be based upon the decisions of the judges. Entries not warranting an award in the opinion of the judges will not receive an award even if there is no competition in that category. Lack of competition shall not be the cause of withholding a prize. **Decisions of the judge(s) are final, and no appeals will be heard concerning the placing.**
12. The Burnet County Area Fair reserves the right to interpret these rules and to settle all questions arising in connection with the Fair.
13. In no case will the Burnet County Area Fair be responsible for any accident, damage, or loss of any property.

General Rules

AWARDS

First-, second-, and third-place ribbons may be given in each age group in each exhibit category of the exhibit divisions. A small cash prize will be given for each place award as follows: \$3.00 for first place, \$2.00 for second place, and \$1.00 for third place. A Best of Division award will be given for each age group in each exhibit division. In addition to a special rosette ribbon, the Best of Division award will include a small cash prize of \$5.00.

All Junior and Senior Youth will receive a stipend just for entering. Please don't forget to stop on your way out when picking up your entries to receive your cash award.

A Sweepstakes award will be given for each age group. To be eligible for the Sweepstakes award, an exhibitor must enter an item in three or more divisions (NOT CATEGORIES WITHIN A DIVISION). A point system based on the ranking of an exhibitor's entry within each division will be used to determine the Sweepstakes winner in each age group. The point system is as follows: **1** point for each entry; **5** points for each 3rd-place ribbon; **10** points for each 2nd-place ribbon; **15** points for each 1st-place ribbon; and **25** points for each Best of Division rosette. In addition to the Sweepstakes plaque for each age division, winners will also receive a cash prize of \$25.00.

An extra prize has been added this year; the "**People's Choice**" award for each age group. This will be voted on by Fair visitors and a plaque will be given to the winner at the awards ceremony Friday evening.

Any prize money not claimed by July 31, 2018 will be forfeited and returned to BCAF treasury.

Division 12 — Potted Plants and Flowers

Superintendent: Kay Lee—phone: 512-964-3021; email: mlee43@moment.net

PLEASE READ GENERAL RULES IN ADDITION TO THE RULES BELOW.

Submission Rules

1. All entries in Potted Plants and Flowers must be the property of the exhibitor, who will in most cases have grown them. (See Rule 2 below.)
2. Plants and flowers used in designs (see Categories 11-16) must be fresh; however, they need not **necessarily** have been grown by the exhibitor.
3. All entries other than “Flower Arrangements” (Categories 11-13)—potted plants, hanging baskets, dish gardens, and other—must have been in the exhibitor’s possession for at least three months, or since early March 2018.
4. All entries other than “Flower Arrangements” **must have been grown in their containers for at least three months**, or since early March 2018. If an exhibitor desires to submit a potted plant and transplants it in early March into a container, that exhibitor should ideally consider, and plan for, the potential growth of his/her plant by June 2018. The reason is that judges will consider the relative proportion of plant size to container size.
5. All entries must be clean and free of visible pests and/or spray residue, or they will be refused.
6. All containers must have the exhibitor’s name and address attached in such a way that it will not be visible to the judges (e.g., a small, printed return-address label on the bottom).
7. “Dish Gardens” (Categories 14 and 15)—both “Succulents Only” and “Mixed Species”—should place greater emphasis on **horticultural specimens** than on fanciful or decorative items.
8. **All** plants and cut specimens must be identified and labeled!
